Program Review Update

Summary of Principal Survey Results

- ❑ Survey administered in July 2012
- ❑ 411 principals responded out of 1,233 public schools
 - 64 % said program reviews are a better way to assess programs than paper and pencil tests.
 - 74% said this is a systematic approach to on-going reflection of particular program areas.
 - 78% said this is an accurate representation of the work going on in schools.

Summary of Principal Survey Results (Cont'd)

❑ Most principals described their role as:

- 83% -- Reviewed evidence/data for each program
- 75% -- Assigned teams of teachers to each program reviewed
- 65% -- Attended meetings or workshops on the program review as an active participant
- 60% -- Facilitated meetings or workshops on the program review

Summary of Principal Survey Results (Cont'd)

□ General feedback:

- Time consuming
- Evidence
- Process cumbersome
- More guidance needed
- Too many demonstrators and indicators

Program Review Updates

- Standards and Demonstrators more refined, streamlined and concise
- Rotating cycle for in-depth review
- Continuous program improvements in the yearly implementation
- Rating submitted every year in ASSIST

Updated rubrics to be available on September 1 @ <http://www.education.ky.gov/KDE/Instructional+Resources/Program+Reviews/>

Expectations for 2012-2013

- ☐ Program reviews should be conducted throughout the year.
- ☐ All elementary schools should implement the K-3 Program Review.
- ☐ Middle and high schools should focus on their program of greatest need for an in-depth review.
- ☐ Program Review data will be released for baseline program reporting. (9/1/12)
- ☐ All schools/districts must submit program ratings for all areas in ASSIST by 6/1/13 reflecting program area updates.
